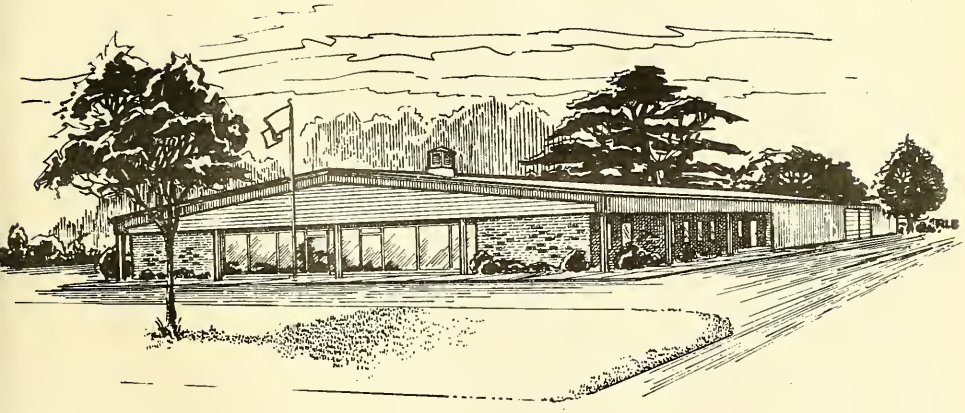
Annual Reports

of the Town of

EPPING, N. H.



For The Year Ending

DECEMBER 31st, 1974

Our Cover . . . . The new district office of Public Service Company, located on Route 125. Completed in 1973, the pre-engineered facility consolidated the company's operations in Newmarket and Raymond into this central location, for more efficient electric service to more than eight thousand customers served by Public Service in Epping and surrounding towns.

SELECTMEN'S REPORT -- 1974

The Selectmen assuming office in March 1974, were somewhat new to the position with the exception of Melvin Chaffee who had previously served in the office and Kim Sullivan who had been appointed for a short period of time.

The Selectmen divided the workload and we believe that this has greatly enhanced the operation of this office.

Robert K. Dodge was responsible for Fire, Police and Health & Welfare with specific projects — Town Hall Roof, Sidewalk construction, Hiring a full time Police Officer, Renovation of Town Hall interior, Fire Department renovations, Sewer connection of all municipal buildings and Insurance programs.

Kim Sullivan was responsible for Planning Board, conservation and Recreation with specific projects; Solid Waste Disposal, Revenue Sharing Accounting and St. Laurent Street drainage project.

Melvin Chaffee was responsible for Sewer & Water, Highways, and Town Dump with specific projects — TRA accountability, Gulf Bridge Culvert, Elm Street drainage project and improvement of street lighting.

The majority of the aforementioned projects are complete or are in the process of being evaluated for further action as follows:

Town Hall Roof — complete.

Sidewalk Construction — complete except for marking and traffic bumpers. Inability to obtain paint for line marking was the major factor. Paint was delivered in November, lines to be marked in early Spring.

A full time police officer was hired with LEAA funds (95-5% funding). Mr. Clinton D. Simmons, Jr., was appointed Deputy Chief on September 1, 1974.

Town Hall renovation (Interior) — Basement being converted to Police Headquarters, top floor to be closed off to save on heating after Police Department is relocated. Renovation to second floor to commence in Spring, 1975.

Fire Department — Basement being renovated, Roof repairs to be made in 1975.

Sewer connections of all municipal buildings — complete.

Solid Waste Disposal — Kim Sullivan has had able assistance from his committee, particularly, Joseph White, Conservation and Cliff Evans and has many proposals to offer either at the regular Town Meeting or a Special Town Meeting if necessary.

Insurance, is not a simple item. We hope to have a plan acceptable prior to Town Meeting or shortly thereafter which will hopefully reduce our present insurance costs and yet assure us adequate coverage.

Revenue Sharing Accountability — with our Treasurer, Mr. Willis A. Baker, Mr. Sullivan has kept us abreast of our Revenue Sharing status.

St. Laurent Street drainage project — complete except for grading in 1975.

TRA accountability — Mr. Chaffee has done an outstanding job of allocating these funds during 1974.

Gulf Bridge Culvert — complete except for grading to be done in 1975 with TRA funds.

Elm Street drainage project — complete.

Street Lighting Improved — new lighting has been accomplished on St. Laurent Street, and Railroad Avenue.

The Board wishes to express our appreciation for the cooperation of all town departments, town officers and citizens for helping us make Epping a pleasant community.

The forthcoming year, 1975, finds us in an economic depression, it is our firm hope that the budget we have submitted will be accepted by the Townspeople and that the Warrant Articles we have submitted will be passed to assure Epping and its citizens continued and planned growth in an economic and responsible manner.

Respectfully,

YOUR BOARD OF SELECTMEN

LIBRARY REPORT

This year your library has received a number of gifts, among them a generous fund in memory of Mrs. Bernice Morris, a neice of Lydia Ladd. Other gifts, both of books and magazines and donations of time and interest have been especially helpful. An example is the time given by four friends in helping to do the annual sorting of magazines, and the proper arrangement of these kept in the storage room for ready reference. Another patron, Mrs. Trudy Daniels, is serving as projectionist for the film programs at which several mothers have donated time to chaperone these well attended programs for elementary pupils. This fall Mrs. Sue McQueeney volunteered her services to conduct a weekly pre-school story hour, an activity that both pleases the children and prepares them to enjoy learning to read. Mrs. Jean Hoag and Mrs. Margaret Splaine have donated time regularly throughout the year to take books and magazines to patients in the County Hospital, and this past summer Mrs. Alice Tubman of Hedding took books to residents of the Campground.

During this year Mrs. Elizabeth Lucy has donated a great many hours to benefit your library, especially in technical parts of the work. She has been cataloging and taking inventory of the library's books and materials, a specialized part of library work for which her professional training and experience make her well qualified.

In November a group of Friends of the Library met in the Lydia Ladd Room and took Christmas decoration of the library as their first project. The Garden Club made and placed lovely wreaths, garlands, and other Christmas greens both outside and inside the building. A Cub Scout den made old-fashioned paper chains, wreaths, and gingerbread men as decorations for the tree brought by Mrs. Amogene Kimball. These decorations received many words of ap-

preciation from patrons. Plans are already made by the Sally Plumer Chapter of the D.A.R. for a special display in February to honor our country's first president, and Cub Scout Pack 136, with assistance of Friends of the Library, is planning to add window displays to carry out the patriotic theme of that month. "Friends of the Library," someone has said, "can do for it what neither trustees nor librarians alone can do." The variety of ideas, talents, and services can attract new patrons and extend the usefulness and enjoyment of the library. If you wish to share some of your time and ideas with these friends, you are urged to get in touch with either Mrs. Sue McQueeney (679-8356) or Mrs. Beverly Lewis (679-8289), co-leaders of the Friends.

I should like to thank the trustees, Mrs. Amogene Kimball, Mrs. Nellie Averill, and Mrs. Ann Baker for the interest and help they have given, and also to express my appreciation to the District Consultant, Mrs. Rachel Sanborn, for her advice and assistance. Richard F. Sanborn, who retired in March, after a number of years as a trustee, added to that service many hours of labor in the completion of the Lydia Ladd Room. For these and other acts to benefit the library, he deserves the appreciation of all library friends.

Many comments of approval have been made about the maintenance of the building and grounds by its custodian, Mr. Guy Newton, whose efforts to keep these in fine condition we all have appreciated. The library's trim was painted this summer, and the shrubbery pruned. This fall a cable was installed on the roof to prevent ice formation and consequent leakage into the building.

For all these improvements, as well as the helpful suggestions and services already mentioned, Mrs. Beverly Chandler, the assistant librarian, and I wish to thank you, its patrons. We hope that both children and adults will feel a pride in the library and its grounds, and will cooperate in

keeping them safe, and treated as the valuable possession that they are in the community.

Respectfully submitted,

CAROLYN D. LEWIS
Librarian

REPORT OF EPPING POLICE DEPARTMENT

The incidents listed below have come to be as a result of a reporting procedure started within the department as of 9/1/74. Prior to this date there aren't any reports as such as there wasn't any system employed by previous administrators. Of the total of 214 reports made to this department, 154 were made during the daytime hours of 6:00 a.m. to 6:00 p.m., and 60 reports were made during the night hours of 6:00 p.m. to 6:00 a.m. These figures should show the people of the Town of Epping that there is a need for police coverage during the daytime as well as nighttime. These figures are only the reports handled and received by this department, not reports or incidents covered by the State Police or Sheriff's department as there were many.

The Police Department applied for new quarters in the Town Hall, which is located on the lower level. The renovation was done with funds from revenue sharing and work was completed early this year.

The police coverage or security during the last four months of 1974 was pretty much on a 24 hr. basis. There were times that coverage was not available and thank the lord that there wasn't any emergency. During 1975 this problem will be corrected and should not occur again.

The training within the department, as well as schools which are operated by New Hampshire agencies, will increase during 1975 for all personnel in the department. This should make each and every officer better qualified for his job that he is doing for the people of Epping.

I personally wish to thank all of the people of the Town of Epping and neighboring towns that have helped me in getting settled in the town and getting to know the area.

There are many people within that deserve more than what they are getting and all I can say is time will be on your side.

Respectfully submitted,

CLINT SIMMONS
Chief of Police

PLANNING BOARD REPORT

The Planning Board scheduled more meetings, site plan reviews, hearings, and approved more subdivisions and surveys than any previous year, a certain indication that Epping is growing.

Sixteen subdivisions were approved, creating 51 new building lots, a lot increase of 16% over 1973. Ten surveys without subdivision were submitted for Planning Board signatures.

Pending is the largest subdivision ever proposed for Epping, several smaller subdivisions and a truck stop. A proposed 72 unit apartment house complex off St. Laurent St. was denied on the basis of a report from Town Engineer that existing sewer capacity for the project was inadequate. Non-residential site plans approved were for a 16 tent site campground on Old 101 and a town park at Mill and Water Streets.

Two important zoning changes were approved by voters: In March a Wetlands Conservation Area establishing setbacks on all rivers in Epping, and later in September, regulations for multi-family housing were passed.

After much study, the Board is proposing the following amendments to the Zoning Ordinance:

1. To replace the present Zoning and Building Ordinances with separate new Zoning and Building Ordinances, making no changes in the substance of said Ordinances. They have been reorganized for easier reference. No changes in the intent of the present ordinances have been made.

2. Adopt the National Building Code and Construction Standards for mobile homes.

   These standards will help make certain all new homes,

mobile homes, apartments, and businesses will be structurally safe for occupancy, and free of health and fire hazards.

3. Adopt minimum set-backs for all new construction. This will give "good neighbor" buffer zones to prevent anyone from building next to your property line and will allow for future sidewalks.

4. Provide that "No mobile homes for permanent occupancy may be installed unless the percentage of mobile homes, including those on temporary permts, is less 25% of the total of all single family dwelling units." This will protect all present property owners, of both mobile homes or conventional houses, from paying excessive property taxes.

The Board held the first meeting ever with the Trustees of Hedding Camp Meeting Association, (a welcome neighbor in Epping for over 100 years) to discuss policies effecting the future of both Hedding and the Town.

Planning Board expenses of $589.01 have been greatly offset by subdivision fees collected, $255.00 which has been paid to the Town's general fund.

Official Town maps are available and may be purchased for a small fee at the Town Clerk's office.

Two new members were appointed by the Selectmen to the Board after serving as Associate Members. Roger Vogler was named to the full term, and Harold LaPierre to the unexpired term of George Graves, who resigned, "with regrets because of business committments". Edward Ingraham was appointed an Associate Member, and the Building Inspector and Health Officer were asked to serve as ex-officio members.

Robert Dodge was named Epping's second representative

to SENHRPC, and both he and Patrick Jackson were appointed to the Strafford-Rockingham Regional Council.

Major project of the Board this past year has been working with South-Eastern New Hampshire Regional Planning Commission on laying the groundwork for a Master Plan for the future growth of Epping. The SENHRPC staff has prepared a valuable series of colored maps of existing geographical conditions and land uses: vegetation, historic buildings, soil conditions, slope, existing land use, water potential, and public facilities and roadways. The maps have been mounted and are available in the Town Hall for reference by any interested townspeople.

Now that the groundwork has been completed, the coming year will be devoted to developing the Master Plan itself: a plan to guide Epping's growth. Many meetings will be scheduled to invite your active participation so the Master Plan will truly reflect the wishes of the majority of Townspeople.

REPORT OF EPPING CIVIL DEFENSE

Our Annual Program Papers have been filed and approved for the year 1975.

I have purchased a CB radio unit for Civil Defense purposes. This unit will be operational as soon as the license to operate is received. This will improve our disaster communications capability.

Assistance is available in a variety of emergency and disaster situations from the upper levels of State and National Civil Defense.

Pamphlets, films and training programs are available.

DONALD S. SHAPPELL
Epping Civil Defense

WATER & SEWER COMMISSION REPORT

At the end of 1974 we had 294 water customers and 293 sewer customers. The extension of the water lines to Elm Court was completed along with the addition of a water hydrant at the end of Elm Street in front of the "Legion."

The main concern during the year was the water "outage" we had during the month of August which was caused by the severe drought, coupled with a water leak. However, it did point out how close we are to the maximum pumping capacity of our present well.

The Layne Company finally sent us a written report on their water search that we contracted for in 1973, and which, in summary, states that they found no adequate source. They suggested we direct our search to West Epping. The Regional Planning Commission is presently working on possible areas for search within our town boundaries.

In preparing for our 1975 budget, it was suggested by the Power Company that we increase electrical costs for 1975 by 40% to take care of increased energy costs. This we did and just barely made a balanced budget.

During the final government inspection of the sewer system there were several items that we had to change before final payment was authorized. These changes are all underway and will be covered by E.P.A. funds.

There was a marked increase in activity at our regularly scheduled meetings compared to previous years. Most of the activity was related to questions on billings or connecting to the sewer system.

CHARLES P. SANBORN

EPPING RECREATION COMMISSION

The year 1974 saw the Epping Recreation Program expanded with a few new ideas in addition to the old.

The Spring found us sponsoring our third Physical Fitness for Women under the direction of Mrs. Sherry Healy. An added attraction was the playing of basketball and volleyball after the sessions. This proved to be popular and the hopes are for more of this during the Spring of '75.

The Summer Program, under the able direction of Jim Mullaney of UNH and assisted by our own Chris Towne, Darlene Hamilton, Sue Walawicz, and a dedicated group of Junior Leaders, was a repeat of the year before, plus. The popular Arts & Crafts directed by Chris Butler, the regular activities centered around the Central School, and our weekly trips to Pawtuckaway were accented by some new programs. One of the most popular was a dramatics class under the volunteer leadership of Mrs. Robert Lamothe which culminated in a class "A" production of "The Wizard of Oz" starring all our youngsters.

Also, an inter-parks league was formed which saw Epping participating in softball, basketball and track against the parks of Raymond and Kingston. We hope this will be continued and will fill the gap of boredom for the 10-16 year old during the summer.

Two sports were introduced into our programs. The tennis bug bit quite a few of our youngsters and only made us more aware of the fact Epping could use a couple of tennis courts. Street hockey found its way into our planned activities and we now own some equipment, to continue this.

Three exciting events took place which we look forward to repeating. Our first real overnight camp-out held at the FoxRun Campground. We almost had more "kids" than

tent spaces and a few had to sleep in a screen-house, compliments of the wonderful people who manage the campground. Our first annual trip to Fenway Park saw a busload of Eppingites of all ages cheering their Red Sox onto victory against the Yankees - a memorable trip. The third great event was a trip to Mt. Osceola in the White Mountains. A group of 32 healthy individuals climbed the 4,000 foot plus mountain and came back tired and happy. Hopefully, we can climb one or two others this summer.

Another first this past summer was our first annual Town Picnic. The Recreation Commission acted as a catalyst and met with other town groups to organize and carry out the plans made which included sports & game activities for all ages with prizes and ribbons awarded. The softball hitting contest and the horseshoe tournament were the highlights. Trophies were awarded to these winners and a plaque will be mounted in the Town Hall for the horseshoe champs year by year. Pony rides, a snack bar, eating, and music by the "Diplomats" rounded out a perfect day. Our thanks go to all groups, organizations, and businesses who assisted in any and every way. We except the whole town to come and join us in '75.

Our offshoot of the summer program was the organization of the Epping Youth Council. The basic idea for this group was to provide activities for the younger folk in town. A successful dance was held as well as a food basket raffle at Christmas.

Another new program was a Halloween Party for our little ones. Again, the cooperation of merchants, businesses and just plain folk made our endeavor a success. We had an excellent turnout to watch movies, walk (or scream) through the spooky house, play the traditional games and eat the goodies cooks in town made for this purpose. Our plan was to keep the youngsters off the streets, but these plans were foiled when the town hall wasn't available the

night the children usually "trick or treat". This year we are aiming for the festivities to be on the eve of Halloween. and maybe eliminate the dangerous "trick or treat" meanderings.

The Recreation Commission voted to undertake the sponsoring of the town Spring and Summer baseball leagues and also plan to establish a softball league for girls. Our major problem here is lack of a playing field. Therefore, we are hoping someone will come up with a field which could be used for girls softball, giving this portion of the town's children an opportunity to be included. Any ideas, suggestions, and help for the beginning of girls softball can be made to any member of the Commission.

We also voted to maintain the skating rink behind the Watergate Apartments, but Mother Nature hasn't cooperated.

All in all, this has been a busy year, as all of us have families of our own and are engaged in all sorts of work. Perhaps someday Epping can afford to have it's own full or part time Recreation Director or share one with another town or two. Until then, we must rely on a lot of volunteers and we gratefully accept your help and ideas.

REPORT OF THE
EPPING CONSERVATION COMMISSION

During the past year your Conservation Commission has met twice a month, at the Town Hall, with all meetings open to the public. This year the activities of the Commission have been aided by new members, who have a strong desire to be of service to the community. At the same time, many of these members bring expertise in areas such as fresh-water biology, zoology and sciences in general. I see this as most helpful, as the pressures on our natural areas increase.

Also, a new aspect of Conservation Commission participation was added, in the form of Associate Membership to the Commission. These terms are to be for one year each, and it is hoped that a great many more townspeople will join-in and help our community in this way.

Our water testing program is now on a year-around basis. Mr. Robert Mooney has been most helpful with water analysis. The indications are that we have one of the cleanest rivers in the State, for recreation, the beautiful Lamprey.

Another great help to your Commission has been the work of the students of Professor Weeks at the University of New Hampshire. They did a most complete survey of the Lamprey, including historical as well as wildlife data, which adds greatly to our knowledge of this resource. They were especially appreciated, as we did not receive the Ford Foundation grant for this work.

We were able, through the use of the U-2 air survey maps provided by the Southeastern Regional Planning office, to complete the index of wetlands and open space within the Town. We now have an excellent set of maps available for

those desiring information on soils, vegetation, water and land uses. For example, it was determined that of 16,786 acres in Epping, 1,362 acres is in wetlands.

The topic of solid waste disposal has been active on our agendas. The consensus of the Commission is that care should be taken, to avoid steps that will harm future water supplies or pollute our air. We suggest that some degree of recycling of waste should be part of the solution.

In the area of parks, the Commission feels that much more use could be made of this land within the Town, including the Blair and Mitchell areas. It is hoped that a group of willing workers will help us to clean up these areas, so that more use can be made of them. The Mill/ Water Street Park has been cleared of underground gasoline tanks and asphalt, and graded for seeding and planting this spring. It will add a touch more of green to this entrance to the business district.

The clean-up day was very successul this past spring, due to the good work of many youths and adults. Among these were the Boy Scouts, the Firemen and Firebelles and the Garden Club. Of course there was the usual excellent help from local merchants, who donated everything from trucks to hot-dog rolls.

Informational and educational activities continue to be a part of the Commission's work. We have tried to make the Town aware of new laws, such as dredge and fill rulings. Also we plan to broaden conservation education in the community through newsletters, speakers, films, workshops and meetings.

By-laws were prepared and adopted by your Commission, this year. Also, a formal agenda system was instituted, to allow the meetings to be more productive.

The Commission now has three-dozen assorted trees and shrubs, but is still looking for a tree nursery and a tree

warden to supervise these. Several persons were approached, but all have declined.

In summary, we feel that the Conservation Commission has made considerable progress this year, but mostly in organization, interest and planning. Ahead lies a great deal of hard work — physical work, to maintain the natural beauty of our town; something that is fast disappearing from other towns. Steps can and should be taken now, to leave a heritage of pure water, clean air, productive soils and a balanced environment for our children. To accomplish this will require work from all of us, and a real sense of community co-operation.

Again, we on your Conservation Commission invite all in the Town to attend and participate in our meetings, and to take an active part in making a better community.

A thank-you to all who have helped us during the past year.

Respectfully submitted,

JOSEPH E. WHITE
Chairman

REPORT OF EXETER AREA VISITING NURSE ASSOCIATION

The Exeter Area Visiting Nurse Association, Inc. is a Community Health Service providing health care (skilled nursing and physical therapy) to individuals and families in their place of residence or in ambulatory care settings for purposes of preventing disease and promoting, maintaining or restoring health or minimizing the effects of illness and disability.

The Nurse gives care and treatments as ordered by each person's physician; assists with the rehabilitation of persons (of all ages) handicapped by arthritis, heart trouble, diabetes, cancer, stroke, mental illness, accidents and similar conditions. The Nurse instructs designated persons to give needed care between nursing visits; teaches families and individuals good nutrition and understanding of special diets, sickness and accident prevention; advises new and expectant mothers in the care of themselves and their babies; provides Tuberculosis and psychiatric follow-up; refers when appropriate to other agencies.

The Physical Therapist establishes and supervises a program to return each person to his maximum potential.

The Association provides the service of a Home Health Coordinator to the Exeter Hospital for the purpose of discharge planning of patients to their homes. It sponsors a Well Child Clinic monthly providing physicals to children of eligible families and immunizations to children in this area.

This year a Homemaker/Home Health Aide Program has been added. A H/HHA provides personal and unskilled care to patients, does light housekeeping, laundry, meal planning and preparation under the supervision of a Registered Nurse.

The Agency in cooperation with the N.H. Department of Health sponsors various screening programs.

As of October 31, 1974 a total of 463 visits (nursing, physical therapy and H/HHA) were made to 83 individuals in Epping.

Information may be obtained by calling the Visiting Nurse Association Office, telephone number 772-2981, Monday through Friday, 8:00 A.M. to 4: P.M. or writing to 17 Prospect Avenue, Exeter, N.H.

REPORT OF AMERICAN REVOLUTION BICENTENNIAL COMMITTEE OF EPPING

To the citizens of Epping:

Your American Revolution Bicentennial Committee of Epping has been very busy during the past year making preliminary plans for the celebration of our Nation's birth on the local level. Our aim is to give a local flavor to a National event by utilizing local talent.

Projects include a bronze plaque on the front of the Town Hall listing the names of the 308 Revolutionary War veterans who served from Epping; Clean the Civil War plaque; Restoration of the Fire Department Hand tub; a Commemorative Bicenntennial book and placement of historical site markers.

Events being planned include an 'Operation Spruce-up' of the downtown area; a patriotic musical; a Pageant; an Exhibit of Revolutionary era artifacts; an afternoon Tea with piano recital at the Lewis'; an Old Home Day with Barbecue; and a Hedding Day.

The local celebrations has tentatively been set for the week of July 11-18, 1976, with many of the fund-raising events preceeding it.

The Opening Ceremony should be a memorable one with special ceremonies planned at the DAR lot in the center of Town followed by an ecumenical church service featuring a sermon delivered during the Revolutionary War by Josiah Stearns of Epping.

All local organizations have been asked to participate in the celebration and to provide material for the book.

In conclusion we ask for your support of Article 25 in the Town Warrant to preserve the Epping Brick sidewalks.

Respectfully submitted,

RICHARD B. SANBORN,
Chairman

American Revolution Bicenntenial
Committee of Epping

REPORT OF TOWN AUDIT

REPORT OF AUDIT

WILSON P. DENNETT
Public Accountant
86 High Street
Hampton, New Hampshire 03842

January 22, 1975
Board of Selectmen
Epping, New Hampshire 03042

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Epping for the fiscal year ended December 31, 1974.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Water and Sewer Department, Trust Funds, Municipal Court and Sewer Project.

FINANCIAL STATEMENTS

The Balance Sheet as of December 31, 1974 is presented in Exhibit A-1. As indicated therein, the liabilities exceed the assets, thereby creating a Net Debt of $197,824.68. Comparative Statement of Appropriations and Expenditures (Exhibit A-2) shows a net surplus of appropriations of $61,981.95. The Statement of Estimated and Actual Revenues and Budget Summary (Exhibit A-3) shows a net increase of actual revenue of $11,968.49, showing a net budget surplus of $73,950.44.

DEPARTMENTS

Each official's records are shown in Exhibit B-1 through I.

AUDIT PROCEDURE

The Accounts and Records of all town officials charged with the custody, receipts and disbursement of Public Funds were examined and audited in accordance with generally accepted auditing standards and accordingly, include such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's Records. The amounts of uncollected taxes as indicated in the report are therefore subject to any change which may be necessitated by the return of verification notices.

Also, verification of uncollected Water & Sewer bills was made by mailing notices to delinquent accounts as indicated by the Collector's Records.

GENERAL COMMENTS

All uncollected taxes in Exhibit C-3 for the year 1971 have been either abated or deeded to the town, in as much as the statutory two year redemption period provided by R.S.A. 80:32 has expired on these tax liens. The regularly scheduled hours at the Town Office during the weekday for the convenience of the taxpayers, has proved to be beneficial to both the town and taxpayers. It is hoped that this practice will be continued.

I want to extend my thanks to the officials of the Town of Epping for their assistance during the course of the audit.

Very truly yours,
WILSON P. DENNETT

Wilson P. Dennett - Auditor
Joyce Wildes - Accountant

WILSON P. DENNETT
Public Accountant

January 22, 1975

CERTIFICATION OF AUDIT

This is to certify that I have examined and audited the accounts and records of the Town of Epping for the calendar year ended December 31, 1974.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In my opinion, the Exhibits included herewith present fairly, the financial condition of the Town on December 31, and the results of operation for the year then ended in conformity with generally accepted accounting principles, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,
WILSON P. DENNETT

EPPING

TOWN WARRANT

AND

TOWN BUDGET

TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Epping Town Hall in said Epping on Tuesday, the fourth day of March at nine of the clock in the forenoon, to act upon the following subjects:

POLLS WILL REMAIN OPEN UNTIL 8:00 P.M.

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to adopt the provisions of the Municipal Budget Law. (This Article to be voted by written ballot) Submitted by: Fred L. Coffin, Lycurgis Limperis, John W. Porter. Also recommended by: Board of Selectmen.

3. To see if the Town will vote to rescind any prior vote calling for the election by ballot of a Police Chief, such rescission to be effective at the Annual Town Meeting to be held in March 1976. (This Article to be voted by written ballot) Submitted by: Board of Selectmen

4. To see if the Town will vote to amend the Zoning Ordinance as follows:

DELETE Article III Building Ordinance and
ADD the following:

ARTICLE IIIA - Building Ordinance:

All other matters concerning the construction, alteration, equipping, use or occupancy, location, and maintenance, moving and demolition of buildings and structures shall be governed by the appropriate section of the latest edition of the National Building Code, as promulgated by the American Insurance Association, successor to the National Board of Fire Underwriters, 85 John Street, New York, New York, which is hereby adopted by reference as though set forth herein.

ARTICLE IIIB - Mobile Home Construction Standards:
All mobile homes and modular units shall meet the construction standards known as Standards A119.1 of the American National Standards Institute and as amended.

(Amendment #1 proposed by the Planning Board)
(This Article to be voted by written ballot)

5. To see if the Town will vote to amend the Zoning Ordinance by adding a new paragraph C to Article IV as follows:

SET-BACKS:
All structures outside Industrial Zone and not to include multi-family housing shall be set back from property lines in accordance with the following:

	Front Yard	Side Yard	Rear Yard
Sewer District	25 ft.	15 ft.	25 ft.
Non-Sewered District	50 ft.	25 ft.	50 ft.

All

All set-backs for non-residential structures, driveways, and parking areas abutting residential uses shall be as the same as for multi-family housing.

(Amendment #2 proposed by the Planning Board)
(This Article to be voted by written ballot)

6. To see if the Town will vote to amend the Zoning Ordinance by adding a new provision as follows:

No mobile homes for permanent occupancy may be installed unless the percentage of mobile homes, including those on temporary permits, is less than 25% of the total of all single family dwelling units.

(Amendment #3 proposed by the Planning Board)

(This Article to be voted by written ballot)

7. To see if the Town will vote to adopt the Zoning Ordinance and Building Ordinance as edited and reorganized.

(Amendment #4 proposed by the Planning Board)

(This Article to be voted by written ballot)

8. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

9. To see if the Town will vote to adopt the following Resolution concerning participation in the National Flood Insurance Program:

WHEREAS, the Town of Epping has adopted and is enforcing its BUILDING CODE, ZONING ORDINANCE and SUBDIVISION REGULATIONS, and

WHEREAS, the appropriate sections of said CODE, ORDINANCE and REGULATIONS prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a

separate building permit for each building or structure from the Building Inspector, and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW THEREFORE, BE IT ENACTED by the Town Meeting of the Town of Epping as follows:

A. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to assure that (1) all proposals are consistent with the need to minimize flood damage, (2) all public utilities and facilities, such as sewer, gas, electrical and water systems are located, elevated and constructed to minimize or eliminate flood damage, and

(3) adequate drainage is provided so as to reduce exposure to flood hazards; and

B. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to require new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N.H. RSA 36:21.

10. To see if the Town will vote to adopt the following resolution concerning participation in the National Flood Insurance Program:

WHEREAS, certain areas of the Town of Epping are subject to periodic flooding from streams, rivers, lakes

causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use in the flood plain areas having special flood and/or mudslide hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to N.H. RSA Chapter 31, 36, 156, 156A,

NOW THEREFORE, BE IT RESOLVED, that this Town Meeting hereby:

A. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

B. Vests the Planning Board with the responsibility, authority, and means to:

(1) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(2) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(3) Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map, and identify flood plain or mudslide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain in order to prevent aggravation of existing hazards.
(4) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

C. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

D. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

12. To raise such sums of money as may be necessary to defray charges for the ensuing year and make appropriations of the same.

13. To see what sums of money the Town will vote to raise and appropriate for roads, bridges and sidewalks.

14. To see what sums of money the Town will vote to raise and appropriate for Memorial Day expenses.

15. To see if the Town will vote to raise and appropriate the sum of $936.58 and the State of New Hampshire to contribute $6,243.83 towards Class V construction and for improvements to our Town.

Submitted by: Selectmen

16. To see if the Town will vote to raise and appropriate the sum of $4,200.00 for the purpose of purchasing a Police Cruiser to be used by the Epping Police Department in the interest of Public Safety. A substantial share of this appropriation may be reimbursed, pending the availability of matching Federal Funds, through the New Hampshire Highway Safety Agency.

Submitted by: Selectmen &
Police Department

17. To see if the Town will vote to raise and appropriate the sum of $600.00 for the Town's contribution to the Raymond Ambulance Association.

Submitted by: Selectmen

18. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the purpose of purchasing necessary fire fighting apparel consisting of boots, jackets, hats, for the Epping Volunteer Fire Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by: Selectmen &
Fire Department

19. To see if the Town will vote to raise and appropriate the sum of $2,500.00 for the purpose of repairing the roof of the Central Fire Station and authorize the withdrawal of the amount required for this purpose from the Revenue

Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by: Selectmen & Fire Department

20. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to be used for the search of water and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by: Selectmen & Water & Sewer Commission

21. To see if the Town will vote to raise and appropriate the sum of $21,774.00 for the purpose of a revaluation of property in the Town of Epping and authorize the withdrawal of $10,000.00 of this amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Submitted by: Selectmen

22. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budget appropriations in the amount indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon:

APPROPRIATION	ESTIMATED AMOUNT
Library	$2,500
Police Department	5,000
Winter Roads	5,000
Summer Roads	2,500
Street Lighting	2,500
Fire Hose	1,000
Visiting Nurse Assoc.	2,450
Fire Department	3,000

Submitted by: Selectmen

23. To see if the Town will vote to raise and appropriate the sum of $30,000.00 to be used to pay the balance due and owing to the Exeter Banking Company on a certain Promissory Note or Notes incurred in connection with the installation of the sewer and appurtenant facilities. In the event that said sum of $30,000.00 can be collected by the Town from various Federal and State agencies, said sum, when and if so collected, shall be returned to the general fund.

Submitted by: Selectmen

24. To see if the Town will vote to convey to West Epping Friends Meeting, for the sum of one dollar ($1.00) and other valuable considerations, the long-closed town roadway in West Epping running between Friend and School Streets, with the stipulation that this and the immediately adjacent Quaker land be available for public use such as conservation, forestry or light recreation; and the Conservation Commission be instructed to prepare and maintain a use plan for this land which is agreeable to Quaker Meeting and the Town.

Submitted by: Selectmen

25. To see if, in honor of Epping's long tradition of brick manufacturing, and as a permanent contribution to the Bi-Centennial celebration, and to complement the series of brick buildings which now stand downtown, and to give our town a unique characteristic which will help attract high quality professional and commercial establishments downtown.

THE TOWN WILL VOTE that present and future Selectmen and the Road Agent be instructed that it is the policy of the Town to preserve existing brick sidewalks, to replace with brick the existing downtown sidewalks when they need repair, and to construct all future sidewalks in

this area in brick, and to see if the Town will empower the Selectmen to accept private funds from trusts, individuals and fund raising events and other sources in addition to such funds as the Town may vote or the Selectmen may appropriate for brick sidewalks.

Submitted by: Virginia Hatfield, Joe Forbes, Marian Nouvertne and nine other partitioners

26. To see if the Town will vote to permit Pine & Pond Park sewer service connection on Elm Street at the points where two 6" (six inch) sewer lines were provided and installed by the town. All cost to be borne by Pine & Pond, Inc.

Submitted by: D. J. Sullivan, James A. Murphy, Andrea E. Murphy and forty other partitioners

27. To see if the Town of Epping will vote to raise and appropriate the sum of $500.00 for the Newmarket Health Center, or take any other action relative thereto.

Submitted by: Jean J. Bellefeuille, Dexter L. Burley, S. L. Burley and eight other petitioners

28. To see if the Town will vote to raise and appropriate the sum of $200.00 for the Seacoast Regional Office of Child and Family Services of New Hampshire, a private charitable organization. Said sum to be used for current operating expenses to enable the Seacoast Regional Office to continue providing services to residents of the Town of Epping whether or not said residents are able to pay.

Submitted by: John Clarke, Mark Vallone, Brendan J. Splaine and eight other partitioners

29. To see if the Town will vote to authorize the Selectmen to administer, sell or otherwise dispose of any Real Estate acquired by tax title or otherwise either by private

sale or public auction providing that if such property is to be sold at public auction or private sale, then the same shall be advertised fifteen days in advance of sale with notice thereof posted in three public places.

Submitted by: Selectmen

30. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this tenth day of February, in the year of our Lord nineteen hundred and seventy-five.

REVENUE SHARING AUDIT

WILSON P. DENNETT *Public Accountant*
86 High Street Hampton, New Hampshire 03842

January 22, 1975

Board of Selectmen
Town of Epping
Epping, New Hampshire 03042

Gentlemen:

We have examined the Revenue Sharing Fund Statement of Revenues, Appropriations, Encumbrances, Expenditures and Balance and the Statement of Obligations Incurred of the Town of Epping, New Hampshire, for the year ended December 31, 1974. Our examination was made in accordance with generally accepted auditing standards and the "Audit Guide and Standards for Revenue Sharing Recipients", issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As part of our examination, we made a study of compliance matters as prescribed in Section V.D. of the "Guide" for the year ended December 31, 1974.

Our study of compliance, which related to the requirements cited above, disclosed no conditions which we consider matters of non-compliance.

In our opinion, the Statement of Revenues, Appropriations, Encumbrances, Expenditures and Balance and the Statement of Obligations Incurred, presents fairly, the revenue expenditures, obligations incurred and status of revenue sharing funds of the Town of Epping, New Hampshire, for the year ended December 31, 1974, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Respectfully submitted
WILSON P. DENNETT

PLEASE NOTE

The property valuations as printed are taken from the 1974 Annual Assessment Record Book. These figures are those that were submitted for approval by the State Revenue Administration on which the tax rate was based as illustrated in the Summary Inventory of Valuation (this book). Abatements or corrections made after September, 1974 will not appear in this report because of the fact that the figures had already gone to Press.

HUMAN INTEREST

A few interesting excerpts from the Epping Town Report of 1939 as written in the Brief History of Epping compiled by John J. Tilton:

In 1773, there were 1648 people in the town of Epping, making it the fourth town in population in Rockingham County: Exeter then 1741, Londonderry, 2399; and Portsmouth, 4466.

By the census of 1930 there were 1672 people in town making it the sixth town in population in the county: Newmarket, 2511; Salem, 2751; Exeter, 4,872; Derry, 5,131; Portsmouth, 14,495.

Epping has always furnished its full quota in every war in which we have been engaged; 150 of its men fought in the Civil War and 52 served with the American forces in the World War.

The first sermon preached in the town of Epping by a Methodist minister was by Rev. Epaphras Kibby in 1799. These meetings were held mostly in the house of Captain Fogg. About 1804 Captain Fogg built a small chapel as a place of worship. The Methodist Camp Meetings were held in Fowler's Grave in South New Market (now Newfields) from 1857 to 1862. In 1862 the grounds were purchased by an Association who incorporated in 1863 taking the name of "Hedding Camp-Meeting Association".

Many citizens of Epping have occupied conspicuous positions in the county, state and national government such as:

GOVERNOR OF THE STATE - William Plumer, from 1812 to 1813, and from 1816 to 1819; David Lawrence Morrill, from 1824 to 1827; Benjamin F. Prescott, from 1877 to 1879.

UNITED STATES SENATORS - William Plumer, from 1802 to 1807; David L. Morrill, from 1817 to 1823; John Chandler, from 1820 to 1829. Mr. Chandler was born of humble parentage on what is known as "Red Oak Hill".

It may be interesting to note that our town is one of nine towns in the world bearing the name of Epping. Epping, England for which we were named, is the oldest of these towns, existed in early saxon days. The town is situated 16 miles northeast of London and had a population of about 4500 in 1939. The Hon. Winston Churchill was a member of English Parliament for the Division of West Essex or "Epping Division".
